MEMORANDUM

In support of its motion for an extension of time and pursuant to Federal Rule of Civil Procedure 6(B), counsel for defendant states that because of the press of a number of cases he has not been able to complete a reply memorandum. Also, counsel is investigating plaintiff's affidavit which she relied on in her opposition to defendant's motion; however, the EEOC is having difficulty locating its file to verify whether the affidavit submitted to the Court is contained in its file. Only a brief extension is being requested which will enable final research to be completed.

The granting of this extension is not expected to negatively affect other deadlines in this case. Further, counsel for defendant states that this motion is not being made for the purposes of delay.

Respectfully submitted,
